Dear Ema,

On behalf of Food for Life and the community food banks we serve, thank you and the Language Marketplace very much for your generous food support. For our turkey drive, we received an overwhelming support of 191 turkeys from your generous donation. We are incredibly grateful for the positive impact this food donation has made on the Halton community.

Food for Life is the largest food recovery program in the Halton Region, bringing fresh, frozen and non-perishable food to those in need since 1995. We recover over two million pounds of surplus food annually from the food industry and direct it to more than 28,000 people in need every month. This is the equivalent to diverting 235 garbage trucks of good edible food from the landfill.

Thanks to supporters like you, Food for Life provides 6,000 meals daily to working poor families, seniors on fixed incomes, people with mental health disabilities, street-involved youth and anyone else who has fallen on hard times. In fact a staggering 40% of the people we serve are children and youth.

Thank you again for your generous support.

Best regards,

Meaghan Richardson, P.Ag
